

KENTON PARK ESTATE

WINE TOURS

WINE TOURS WITH A DIFFERENCE AT KENTON PARK ESTATE

During your visit to Kenton Park Estate you'll be guided round the Vineyard Plantations, hearing about the family's story as you stroll. It's the story of a family who fell in love with a Country Estate, decided to buy it and bring the Vineyard "back to life".

The family bought this pretty Wine Estate in 2017. The previous owners had produced award-winning Wines so work started immediately to bring about the re-birth of the Vineyard. New Grape varieties were planted and so the journey into the World of Wine began.

There are now 15,000 Vines growing in the microclimate that surrounds Kenton Park Estate. From Pinot Noir and Chardonnay, to Bacchus and Reichensteiner, these Grape varieties grow very happily in this beautiful corner of Devon.

The seasonal mists certainly bring their “Magic” to the Vineyard and you can enjoy a fine collection of Still and Sparkling Wines including the wonderfully named “Grape Escape”, “The Grape Thief”, “Flying Start”, “Gun Dog Escape”, “The Motley Cru” and “Flying Circus”. You may also wish to try the Estate’s own Artisan Gin “Cheeky Ginny” which catches the fun spirit of Kenton Park Estate and is made from the Estate’s own Pinot Noir Grapes.

After your tour, you’ll be treated to a magnificent 3-Course Lunch and delicious Café-Gourmand, our very own version of Coffee & Petit Fours. Just divine.

You can round off your Vineyard experience with a stroll around the grounds where you’ll meet “The Woolly Cru” (the gorgeous rare-breed Swiss Valais Blacknose Sheep), the highly entertaining antics of our Pygmy Goats, and maybe even our “Plum Pudding Pigs” as well as lots of wildlife including fabulous birds of prey, Pheasants, Partridges & even free-roaming Deer.
